

### Things I need to remember:

Reading books will be changed when they read with an adult at school, there will be a new guided reading book each week too.

Children who read to someone at home 3 times per week will earn 3 castle coins.

Monday	Book bag with reading book and reading record
Tuesday	Book bag with reading book and reading record Wear PE kit including trainers or plimsolls.
Wednesday	Book bag with reading book and reading record
Thursday	Book bag with reading book and reading record
Friday	Book bag with reading book and reading record Old trousers, coat and wellingtons in a named bag. (Forest school activities)

### Class dates to remember:

No dates at this point, however please read the monthly school newsletter carefully in case there are any important dates for your diary.

### Homework

	Given:	Returned the following:
Monday	New spellings New guided reading book	Monday (for test)
Tuesday		
Wednesday		
Thursday		
Friday		

This term we will be using a range of cardboard boxes (e.g. cereal boxes) within our D&T lessons. If you are able to save any and bring them into school, this would be a great help.

THANK YOU!

Autumn 1

Exceeding Expectations,  
Raising Aspirations

Castle View Primary School

# Wherever Next?

Where in the world is  
Barnaby Bear?

Class: Little Stars

Teachers: Mrs Edwards and Mrs Taylor

## We are learning:

### Literacy (Reading and Writing)

**Phonics** - the children will practise their phonemes and use them in their reading and writing.

**Labels:** We will be labelling the parts of Barnaby Bear and the items in his suitcase. This links to our Science work of labelling parts of the human body.

**Lists:** We will be writing lists to help Barnaby Bear pack his suitcase.

**Captions:** We will write captions to match Barnaby Bear's holiday photos.

**Postcards:** We will read postcards from Barnaby Bear, and pretend we are Barnaby Bear on holiday writing postcards.

**Reading:** We will take part in several reading sessions per week concentrating on one text. This book will come home in your child's book bag everyday.

### Communication and Language

(Speaking and Listening)

Each child will have a perfect partner who they will talk to during discussions, problem solving and reasoning activities, and to share their ideas with before they feed back to the class.

### Physical Development (PE)

We will be having daily mini yoga sessions after registration to relax us and learn about wellbeing. In PE, we will practise moving with more control and balance and in different ways, stopping and starting, and changing directions with Mrs Travis. In Enrichment we will be exploring the outdoors.

### PSED (Personal, Social and emotional Development)

We will be establishing class rules, and settling in to our rules, routines and expectations of being a Year 1.

We will talk about what kinds of things we have to do to earn Castle Coins.

We constantly promote democracy, the rule of law, individual liberty, mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

Our Learning is around the topic...Where is Barnaby Bear?

Our topic will end with:  
Designing our own suitcases for Barnaby Bear.

### Art

We will be sketching and painting portraits of ourselves.

### Design Technology

We will look at the nets of boxes, and remake disassembled boxes to produce new luggage bags for Barnaby.

### Mathematics

We will be practising our place value with numbers to 10, then 20, moving on to addition and subtraction.

We will be learning about the properties of 2D shapes, and how to recognise and name them in different orientations and sizes.

We will be solving addition and subtraction problems using the '+', '-' and '=' signs.

### Geography

Through tracking Barnaby Bear's travels through his postcards we will be learning about the 4 countries in the UK (England, Northern Ireland, Scotland and Wales) and their four capital cities (London, Belfast, Edinburgh and Cardiff) and some of the features of these places.

### ICT

We will type luggage labels out on the computers in the ICT suite practising to write our full names on the keyboard.

### Science

We will be learning to name and label the different parts of the human body.
