

Music progression

<p>Aim</p>	<p>To enable all children and young people to learn to sing, play an instrument and create music together, and have the opportunity to progress their musical interests and talents, including professionally.</p>
<p>Singing aims, process and structure</p>	<ul style="list-style-type: none"> • Sing simple songs, chants and rhymes (e.g. Boom Chicka Boom) from memory, singing collectively and at the same pitch, responding to simple visual directions (e.g. stop, start, loud, quiet) and counting in. • Begin with simple songs with a very small range, mi-so (e.g. Hello, How are You), and then slightly wider (e.g. Bounce High, Bounce Low). Include pentatonic songs (e.g. Dr Knickerbocker) • Sing a wide range of call and response songs (e.g. Pretty Trees Around the World from Rhythms of Childhood), to control vocal pitch and to match the pitch they hear with accuracy <p>-Warm ups will help pupils use their voices safely, include vocalising, sirening and simple scales, as well as games to energise pupils.</p> <p>-Breathing. Increasing control of airflow will help pupils to sing longer phrases, adjust dynamics, improve tuning and phrase melodies expressively.</p> <p>Posture. A relaxed but stable stance (soft knees) sets the body up to produce an unforced but well-focused sound.</p> <p>Dynamics. When appropriate, class singing should include a dynamic range as a key expressive tool.</p> <p>Phrasing gives shape to melodic lines. Through small dynamic changes, it helps emphasise important syllables and create musical interest in the melody.</p> <p>Context. Music can often be brought to life by considering the context in which it was written, or by discussing the meaning of any words.</p> <p>Vocal health. Warming up before singing, staying hydrated, resting voices, particularly when there is lots of singing to do, keeping vocal muscles relaxed</p>

Music progression

EYFS	Communication and Language	<ul style="list-style-type: none"> • Sing a large repertoire of songs.
Three- and 4-Year-olds		
	Physical Development	<ul style="list-style-type: none"> • Use large-muscle movements to wave flags and streamers, • paint and make marks.
	Expressive Arts and Design	<ul style="list-style-type: none"> • Listen with increased attention to sounds. • Respond to what they have heard, expressing their thoughts and feelings. • Remember and sing entire songs. • Sing the pitch of a tone sung by another person ('pitch match'). • Sing the melodic shape (moving melody, such as up and down, down and up) of familiar songs. • Create their own songs, or improvise a song around one they know. • Play instruments with increasing control to express their feelings and ideas.
Reception	Communication and Language	<ul style="list-style-type: none"> • Listen carefully to rhymes and songs, paying attention to how they sound. Learn rhymes, poems and songs.
	Physical Development	<ul style="list-style-type: none"> Combine different movements with ease and fluency.

Music progression

	Expressive Arts and Design	<ul style="list-style-type: none"> • Explore, use and refine a variety of artistic effects to express their ideas and feelings. • Return to and build on their previous learning, refining ideas and developing their ability to represent them. • Create collaboratively, sharing ideas, resources and skills. • Listen attentively, move to and talk about music, expressing their feelings and responses. • Sing in a group or on their own, increasingly matching the pitch and following the melody. <p>Explore and engage in music making and dance, performing solo or in groups.</p>
ELG	Expressive Arts and Design	<ul style="list-style-type: none"> • Sing a range of well-known nursery rhymes and songs. • Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.

	Being Imaginative and Expressive
