

Cosy Quarter – whole class reading for pleasure time.

This is protected reading time – dedicated to sharing a range of books and stories, **daily**. The focus is on fluency and enjoyment.

Reading together is a precious time that needs to inspire a love of reading in all our children. This is chance for children to snuggle up, sit back, relax and listen to a story.

Our approach:

All classes have whole class story time (cosy quarter time) 15 minutes a day.

Each class teacher will choose a select range of books appropriate for their class, age and interests. These are from a range of inspirational authors, high quality texts, diverse topics and themes, including recent recommended authors and a wide variety of formats and genres.

The class will agree the book to be shared, through teacher recommendations and pupil choice.

We use a range of recommended books to inspire our **Cosy Quarter** and keep it up to date and inspirational!

#100 books to read ...
