

Things I need to remember:

Reading books can be changed every day if they have been read.

Children who read to someone at home 3 times per week will earn 3 Castle Coins! Please record in reading record.

Monday	Book bag with reading book and reading record Homework
Tuesday	Book bag with reading book and reading record
Wednesday	Book bag with reading book and reading record
Thursday	Book bag with reading book and reading record
Friday	Book bag with reading book and reading record PE kit including trainers or plimsolls.

Class dates to remember:

Please check the termly newsletter for upcoming events and important dates

Homework:

	Given:	Returned the following:
Monday	TTR, Spellings and Spelling shed	Monday

Ongoing homework project -

Who is inspirational to you?

Tell us about that person in your own way.

Maybe create an image of them showing

all the reasons they are inspirational. Could you create a biography?

You could potentially use your PowerPoint skills to create your presentation.

The person/ people you choose could be famous or they may be someone closer to home! Be creative with how you tell us about them.

Exceeding Expectations,
Raising Aspirations

Autumn 2

Issue

Castle View Primary

*“Never judge someone
By the way he looks
Or a book by the way
its covered;
For inside those
tattered pages,
There’s a lot to
be discovered”*

Man in the Mirror

Class: Endeavour

Mr Kernaghan, Mr Wray, Miss Parsley
and Miss Goodair

We are learning:

Literacy (Reading and Writing)

Persuasive leaflet: We will be learning about diet, exercise and healthy lifestyles through our topic work to produce a persuasive leaflet to give out at our 'trim trail' event.

Autobiography: We will be exploring Rosa Parks' autobiography 'My Story'. We will research 'current' individuals in the public eye who have overcome stereotyping or prejudice to produce an autobiography.

Poetry: Using powerful imagery, we will be crafting free verse poems based on similes, personification, alliteration, and metaphors.

Physical Development (PE)

We will be thinking all about keeping healthy during our PE this term. This will include thinking about our heart rate and what activities help us stay healthy.

PSED (Personal, Social and emotional Development)

Through our topic we will learn about aspects of social change, stereotyping and prejudices.

We constantly promote democracy, the rule of law, individual liberty, mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

Communication and Language

(Speaking and Listening)

Each child will have a learning partner who they will talk to during discussions, problem solving and reasoning activities, to share their ideas with before they feed back to the class.

Man in the Mirror

Understanding of the World

(History, Geography, Science, RE, Computing)

We will be exploring aspects of social change and how this influenced post-war Britain from the 1950's.

We will explore how nutrients and water are transported around the body.

We will learn about the effects of drugs and alcohol on the body.

We will learn about inspirational leaders from different cultures and religions.

Mathematics

Year 5 -

Multiplication and Division - We will be learning what factors and multiples are as well as how to multiply and divide by 10, 100 & 1000.

Fractions - we will be learning about equivalent fractions, mixed numbers and improper fractions before progressing onto adding and subtracting fractions.

Year 6 -

Fractions - We will be learning how to find equivalent fractions, add and subtract fractions, multiply and divide fractions and finding a fraction of an amount. We will conclude the unit with converting measures.

Expressive Arts and Design (Art, D&T and Music)

We will be learning about the history of graffiti art and famous artists linked to this art form. We will then use colour blending, contrasting colours and stencilling to create a slogan focused on a positive social message.
